

Illustrated Dictionary of Medical

By Hans Baker

Lotus Press Publishers & Distributors, 2006. Softcover. Condition: New. Medicine is a field that has been the saviour of mankind for centuries. It is the Science and Art of diagnosing, treating, curing and preventing disease. It thereby acts towards relieving Pain and improves and Preserves health. The terminology used in this field can easily confuse a layman. This dictionary is an attempt to bring almost all the terms used in the Medical field under one head and thereby create a referral for those entering or already in the field. The glossary discusses about the types the diseases, the human Anatomy and host of other terms that are relevant to and come under the subject. The Language used is simple and illustrative pictures are used to enhance the understanding, thereby giving the reader an enriching learning experience. The explanation is supported by appropriate and cognisant examples to make the learning process interesting and fruitful for the reader. Printed Pages: 192.
